## ▶ Property Owners & Developers

### Enhance property demand and build equity

Today's prospective residents go out of their way to find properties that support their wired lifestyle. Whether you own a single property or an entire portfolio, Verizon FIOS provides a solid foundation for high-performance returns. [Learn More](#)

## Property Managers & Leasing Agents

### Reach your sales and occupancy goals faster

Resident demand for the speed and flexibility of Verizon FIOS makes your job easier, helping you to close sales and increase occupancy. Plus, we make selling FIOS easy with marketing materials that are customized to your property. [Learn More](#)

## FIOS for Business

### Lock in business tenants for the long-term

Build equity in your property while signing and retaining more tenants with the future-ready possibilities of Verizon FIOS. Your business tenants need the speed of fiber-optics to stay vital in today's competitive environment — and so do you. [Learn More](#)
